PRICE TWO CENTS

MILITARISTS RETAIN GRIP IN GERMANY

Last Vestige of People's Resistance Virtually Crushed

THREATS OF HUNGER AND DEATH TRIUMPH

London Observers Expect Disturbances Soon to Break Out Again

RULERS FACE DILEMMA

Kaiser Must Either Grant Reforms or Win Smashing Success in War

GENEVA, Feb. 5. German strikers threw a bomb against the Imperial Palace in Berlin, according to dispatches received from that city today by the Journal de Geneve. No details were given.

LONDON, Feb. 5. German militarism is still supreme in the Central Empires.

Its from heel today had crushed out virtually the last vestige of resistance by the starving, enslaved common people Cowed by the threat of the firing squad and fearful for the fate of their women and children through reduction

testing workers had virtually all re-turned to the factories.

Only one isolated case of continued resistance was reported. That was at Jena, where the Tageblatt said a third of the men employed there had walked out Saturday. There is a disposition among officials

and students of economics here to re-gard the waning of the general strike as only a temporary surcease of the Cen-tral Powers' industrial and political

The work of the extraordinary court-martial at Berlin, in imposing severe penalties on strike leaders is expected pensities on strike leaders is expected to provide fuel for further trouble. William Dittman. Socialist member of the Reichstag, was sentenced to five years' imprisonment for 'inciting to high treason' and received an additional two months for resisting public au-thority. Imperial Chancellor Hertling previously had refused to intervene in two months for resisting public authority. Imperial Chancellor Hertling
previously had refused to intervene in
Dittmann's case, declaring he could invoke no civil procedure so long as the
